Sequence Compliance

The specification and claims are objected to for failing to adhere to the requirements of the sequence rules. Applicant must append SEQ ID Nos. to all mentions of specific sequences in the specification and the claims. See 37 CFR § 1.821(d). Specifically, claim 1 is directed to SEQ ID NO:38 whereas the sequence listing only contains 28 sequences.

Full compliance is required in response to this Office Action. A reply that fails to comply will be considered to be non-responsive and may result in abandonment of this application.
